

# Spider Lake

Spider Lake is a 459 acre, all sport, fresh water, kettle lake formed by glaciers and fed by numerous underwater springs. Having a main body of water with several protruding branches or coves, it derives its name from an aerial view (and a bit of imagination). There are five islands - two privately and three federally owned. Only one island (Island 3/Swimmers' Island) is designated for public use, though dogs are not allowed. Water depths vary throughout Spider Lake, particularly in the coves and near the islands. Sandbars are present in multiple locations. Three of its coves are No Wake/Slow Speed areas.

**High speed boating hours (11 a.m. - 7:30 p.m.)** and all other boating laws are strictly enforced. The lake is patrolled by the Grand Traverse Sheriff Department – Marine Division.

## KEY

- Island 1 - Private - No trespassing
- Island 2 - Private - Access and pets by permission only
- Island 3 - Federal / Swimmers' Island - No dogs allowed
- Island 4 - Federal
- Island 5 - Federal
- XXXXX - sandbars
- //////// - Slow no wake / No high speed boating
- - Direction of boat traffic under power (per U.S. Coast Guard)
